

# Hawai'i Cord Blood Bank

*On the day your baby is born, you can give the gift of life a second time.*

## Support Hawai'i Cord Blood Bank

A third of all patients who need a transplant have an appropriately matched related donor. You can help ensure that all patients are given the gift of life a second time by making a donation to Hawai'i Cord Blood Bank.

It is with our sincerest gratitude that we thank you for your generous gift.

### Our Mission

The Hawai'i Cord Blood Bank is an independent, non-profit, community service organization whose mission is to support measures aimed at improving patient access to transplant, including the collection and public banking of umbilical cord blood from Hawai'i's ethnically diverse population.
